Suggestions for government

- Textbook that aligns with the standards
- Leave out this course, and they will....
- Too vague
- Two of the key points
 - Starts with line 118 – 140.
 - What does it mean to be a citizen can be combined with what does it mean to be a citizen
- Consistent format
 - Bullet point with small explanations.
-

Suggestions for Economics

- Textbook that aligns with the standards
- Text book with updated, relevant financial literacy attached.
- Line 63
 - Spelling mistake – 19th
